OFFICE OF PETITIONS

1- As a response to your Letter dated Feb 20 2004, to my seeking to "alter the inventive entity".

Please REMOVE the name of Peter Lipert from this application

Also my first name is "Erwin" Please correct

Please confirm receiving this request.

Reason is: Mr. Peter Lipert does not want to pay for any patent related expense.

Proof= Please find attach his check # 0055 (for n75 \$ Canadian) that was returned from the bank, where by originally was issued for the patent revival in USA.

You can see in bottom left of the check, should have been about half of the "Petition to revive -unavoidable" fee of US\$ 55 plus "Terminal disclaimer" fee of US\$ 55 (110 US\$ /2 = about 75 \$ Canadian) But it was cancelled later or had no sufficient funds in the account.

Definitely, he is not willing to pay for this new much higher expense attached today.

Attached is my fee for "Petition to revive- Unintentional" for 665 \$ US. (code 2453)

And my fee for "Processing fee under 37 CFR" for 50 \$ US (code 1807)

On the attached (PTO/SB/17 with fee is included).

3
17

B) Subject " Renewed Petition under 37 C.F.R. & 1.137 (b)

Application # 08/418,286

Filing Date: 04/07/95

Examiner: Mr. Atkinson C.

Applicant- Schwartz ERWIN.

Title: Heat Exchanger

Art Unit: 3407

"Petition for revival of an application for patent abandoned unintentionally under 37 C.F.R. 1.137 (b)" is attached.

As a reply your letter dated Jan 29 2004

Attached is my Fee for " Petition to revive- Unintentional" for 665 \$ US. (code 2453)

And my Fee for "Processing fee under 37 CFR" for 50 \$ US (code 1807)

And my Fee for "Notice of Appeal" for 165 \$US (code 2401)

(And my fee for "Terminal disclaimer" for 55 US\$ was paid before).

Details are, on the attached (PTO/SB/17) with fee included.

I state that:

The entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition (with fee attached) pursuant to 37 C.F.R. & 1.137 (b) was unintentional

Reasons:

1) I hired "Patent Agent" Mila Shvartsman (P.O.Box. 225, Outremont, Que, Canada, H2V4M8) to apply and process the application for a patent in the USA. In 1994 on my behalf.

Later I found out that she did not full fill her obligations and basically she abandoned the work on the file. (Copy of her letter is attached).

17

- 2) I sent her a registered mail to GET back OUR files. Which she refused (copy attached).
- 3) I had to go to the Local Small Claim Court in order to try to recover copies of all the papers that the above agent filed? On our behalf, and to figure out the state of our above application. (Copy of court case is attached).
- 4) I still NEVER got back from her our documents.

Based on the above, will you please, **REVIVE THE Unintentionally ABANDONED APPLICATION?**

5- My name is Erwin Schwartz (please correct the first name)

6- Also a Non Publication Request (is attached) to be applied to this application.

(But, I think that it is not required, since the application Filing date is of 1995

For me it is very important and **I would have not missed the date limit** to respond if I had the documents in time.

Yours Truly

Erwin Schwartz / B.Eng.

This request must be signed in compliance with 37 CFR 1.33(b) and submitted with the application upon filing.

Applicant may rescind this nonpublication request at any time. If applicant rescinds a request that an application not be published under 35 U.S.C. 122(b), the application will be scheduled for publication at eighteen months from the earliest claimed filing date for which a benefit is claimed.

If applicant subsequently files an application directed to the invention disclosed in the attached application in another country, or under a multilateral international agreement, that requires publication of applications eighteen months after filing, the applicant must notify the United States Patent and Trademark Office of such filing within forty-five (45) days after the date of the filing of such foreign or international application. Failure to do so will result in abandonment of this application (35 U.S.C. 122(b)(2)(B)(iii)).

Burden Hour Statement: This collection of information is required by 37 CFR 1.213(a). The information is used by the public to request that an application not be published under 35 U.S.C. 122(b) (and the PTO to process that request). Confidentiality is governed by 35 U.S.C. 122 and 37 CFR 1.14. This form is estimated to take 6 minutes to complete. This time will vary depending upon the needs of the individual case. Any comments on the amount of time you are required to complete this form should be sent to the Chief Information Officer, U.S. Patent and Trademark Office, Washington, DC 20231. DO NOT SEND FEES OR COMPLETED FORMS TO THIS ADDRESS. SEND TO: Assistant Commissioner for Patents, Washington, DC 20231.

Dear Mr. Schwartz,

March 6, 1996

Please find enclosed to this letter copy of the second Office action received from USPO, response on which is due before May 27, 1996. To avoid paying extension fee (which can delay response for another 4 months) it is highly advisable to immediately consider this office action.,

I am not in a position neither review
this Office action, nor discuss with you any details.

Yours truly,

Mila Shvartsman

Encl.
